Champagne and Wine

Champagne

2009/2008 Dom Pérignon, Champagne, France

Champagne, with its famous limestone soils and cold climate, makes the world's greatest sparkling wines. The most famous of them all is Dom Pérignon. DP, as it is affectionally known, is named after the Benedictine monk who pioneered many of the techniques used in Champagne today. Dom Pérignon is always from a single vintage and a blend of Chardonnay and Pinot Noir grapes. Dom Pérignon is now overseen by recently appointed Chef de Cave Vincent Chaperon.

2007 Taittinger Comtes de Champagne, Champagne, France

Champagne, with its cold climate, famous limestone soils and magnificent history, is home to the world's most famous sparkling wines. Family-owned for almost a century, Taittinger is one of the greatest independent Houses and Comtes de Champagne is their highly respected and revered prestige cuvée. Comtes de Champagne is made from 100% Chardonnay from Grand Cru villages in the Côte des Blancs - Avize, Cramant, Chouilly, Mesnil-sur-Oger and Oger. This is a brilliant champagne and a textbook example of Blanc de Blancs at its best, displaying great intensity and acid line, with complex and classic toasty notes from over 10 years of aging in bottle. Spectacular!

White

2014/2017 Dr Loosen Graacher Himmelreich Riesling Kabinett, Mosel, Germany

When you drink a wine it is nice to know that the grower could also be sharing a glass, but that he would be sitting on the porch outside his house gazing across at the actual vines which produced the wine. That's what Ernie Loosen can do at the end of a long day, because the family house sits right by the Bernkasteler Lay vineyard which is virtually lapped by the waters of the beautiful Mosel river. The vineyard's slate soils suit the Riesling grape perfectly, giving a wine that really tastes of slate, as though honey had been smeared on the cool rock, and lemon then squeezed on it for zest.

2017 Tapanappa Tiers Vineyard 1.5m Chardonnay, Piccadilly Valley, Australia

Over the last 40 years, the Adelaide Hills has emerged as one of Australia's finest cooler climate regions. Much of this is due to the vision and drive of one man— Brian Croser. In 1979, he planted the Tiers Vineyard which inspired a new generation of young winemakers to plant in this cool and picturesque region. Named 2004 Decanter Man of the Year, Croser remains one of the most respected names in wine. 1.5m refers to a small section of the Tiers Vineyard that was replanted using a lower vine trellis with a row width of only 1.5 metres. This wine has classic stone fruit characteristics, a tight acid line and wonderful intensity. An exciting wine from an important winemaker.

Red

2014 Domaine Faiveley Clos de Vougeot Grand Cru, Burgundy, France

Faiveley is one of the oldest and most respected négociants in Burgundy, controlling 127 hectares of vineyards across the region. With 7th generation Erwan Faiveley at the helm of the family business, the estate has greatly expanded, multiplying in size since it was founded in 1825. Faiveley's strength lies in its prize holdings, including twelve different Grand Cru vineyards. Clos de Vougeot is one of their largest Grand Cru vineyard holdings – 1.27 hectares – which allows for strict selection and consistent quality year after year. This generous red Burgundy is youthful and filled with blackberries, savoury spices and roasted herbs. Layered and harmonious, enjoy this delicious red with a wide range of white and red meat dishes.

2008 Château Pichon Longueville Comtesse de Lalande, Pauillac, Bordeaux

The 2008 is a beauty in the style of the 1988. Although not performing as well as I predicted last year, it is unquestionably an outstanding effort as well as one of the better values from Pichon Lalande in many years. Its dense plum/purple hue is accompanied by sweet aromas of red and black currants, charcoal, herbs, underbrush and a hint of truffles. This medium-bodied, rich, concentrated blend of 63% Cabernet Sauvignon, 29% Merlot, 5% Petit Verdot and 3% Cabernet Franc is an elegant, supple Pichon Lalande that can be drunk now or cellared for 15-20 years.

2015 Kaesler The Bogan Shiraz, Barossa Valley, Australia

Shiraz has played an invaluable role in building the reputation of Australian wine internationally. And some of the most famous and oldest Shiraz vines of all are grown in the Barossa Valley, north of Adelaide where the warm dry climate produces Shiraz of great power and concentration. Kaesler was established in 1893 with further plantings in 1899 and 1965. Today the wines from these wonderful old heritage vineyards are made by the highly respected winemaker Reid Bosward. This wine is deep brick-red in colour with ripe fruit modified with some oak and bottle-age characters. Rich, generous and a fine example of Barossa Shiraz.

Fortified

Dow's 20 Year Old Port, Douro, Portugal

With twenty years of cask aging, this Port has acquired a gorgeous aroma of dried flowers, toffee, sweet spices and dried figs. The tannins have softened and evolved into a silky texture with subtle, layered flavours that are persistent on the finish. A beautifully balanced Port that can be enjoyed on its own or with cheese or dessert.
